

GOSFORD FOREST PARK FAMILY CYCLING TRAIL CARD

This 6.6 km family cycling trail is a circular route through the trees and parkland of Gosford Forest Park.

The trail combines forest roads with two short sections of single track. The trail is suitable for cyclists with basic off-road cycling skills and should take on average 1 hour to complete. The trail starts and finishes in the main forest car park where there is an interpretation panel.

Forest Service vehicles may be encountered at any time, however, warning signs will be in place during major forestry operations.

Points of interest along the trail include Greer's Fort, the arboretum, the old gate lodges and a conservation pond.
